Dear Parents/Carers

The NSPCC's Speak out, Stay safe programme visited our school today to share information about how children can keep themselves safe from harm and get help if they have any worries. They also spoke to the children and staff about the valuable work they deliver. Every child that attended the NSPCC safeguarding presentation today will receive a Buddy sticker, which reminds and reinforces the safety messages they heard today.

As a charity the NSPCC relies on the kindness and generosity of their supporters in order to deliver their vital services for children. I am delighted to say that our school has chosen to endorse the work of the NSPCC this term by taking part in a fundraising event, and would really appreciate your support.

If you would like to help the NSPCC, please give your child permission to take part by signing the sponsored event form and returning the money raised by **Friday 22nd January**. If you have more than one child in school simply put all your children's names at the top of one form.

The NSPCC believes that every child deserves a happy childhood free from abuse. The money we raise will make a significant difference to their work in preventing abuse, providing support and turning lives around.

Thank you

Ch Wallis
