Dear Parents and Carers,

### **'Grounds Working Party' Number 2!**

On **Friday 18th March**, we would like to hold our second 'Grounds Working Party'. This will involve staff, parents, carers and pupils working together to tidy the outside areas of the school. The event will take place from 3.00pm-4.30pm. Drinks and biscuits will be provided. ☺

The areas which need to be worked on are:

- The garden pots around the school need some attention. They need some fresh soil and some colourful spring plants.
- The outside area in Year 2 also requires some attention. There are some big pots which would make a great home for some herbs and a picnic table and seating space would really benefit from a coat of paint. There are some friendly weeds peeping through cracks in the ground and these need to disappear too!
- The planting areas in Year 1 and Reception could also do with a little spring clean.

We hope to give all of the areas a splash of colour ready for Easter. This event will be a great opportunity for the school community to work together to improve the school environment and it will also be a fun family afternoon.

If you have green fingers and enjoy the fresh air or you would just like to pop along to meet some new friends, then please join us for this event. If you can donate any primulas, pansies or other spring plants we would also be very grateful. Please bring some garden tools if you have them.

**Please complete the attached form and return it to school by Friday 11th March.**

Thank you for your continued support.

**Mrs Wallis**
