The children will continue to practise forming their letters correctly. They will be applying their phonics to their writing, and trying to spell high frequency words correctly. |

We will continue to practise adding and subtracting, using doubles and near doubles to help us add accurately. We will practice adding and subtracting tens. We will also be solving problems with money. |
| Science | Materials - which materials will make a good shelter on a treasure island? Find out about fish and label parts of a fish. |
| Geography | The UK as an island. Naming the countries, capitals and seas on the United Kingdom. |
