21st June 2019

Dear Parents/ Carers

Plastic Free Eastbourne is inviting all primary schools in the area to take part in a poster competition. They have been awarded some grants for improving the state of our parks and have already carried out a community parks clean which involved well over 700 volunteers. Their poster competition should result in an increase in the pride in and feeling of responsibility towards our environment.

The children can create a poster which will be made into a metal sign to be displayed in a local park, possibly near our school. The posters need to have suitable images, to be eye catching and engaging. The wording of the slogan to be incorporated should be:

“Thank you for keeping our park clean. Please take your litter home with you”

The paper entry can be any size from A4 upwards in “landscape” but should follow the same dimensions as a typical A4 page.

The entries will be put before 3 Eastbourne artists, who will decide on the winning posters.

The deadline for completing your pieces will be 5th July.

Winners: there will be at least one winner from each school. There will be overall 1st, 2nd and 3rd winners. The winning designs will be exhibited in Eastbourne before being produced as parks signs.

Each entry should have: Name of School and Name of Pupil

Good luck!
