About this document:

How does this document link to the Regulatory Framework?

The legal framework

Regulation 18, Parts 3 and 5 of The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 allows governing bodies of schools to delegate their financial responsibilities to

- a) a committee
- b) any governor
- c) the head teacher (whether or not they are a governor)

Approval to the first formal budget plan of the financial year may only be delegated to a committee, not to an individual – (normally the Finance Committee)

Where the Governing Body has delegated functions, this shall not prevent the Governing Body from exercising those functions

Introduction

As the Governing Body of The Roselands & Stafford Federation with responsibility for managing a delegated budget as defined by the Schools Standards and Framework Act 1998 Chapter IV and amended by S41-43 and S45 of the Education Act 2002, we are responsible for ensuring that the school complies with the Scheme for Financing Schools, Financial Regulations and Standard Financial Procedures and Contract Standing Orders for schools, as approved by the County Council. Many of the Governing Body's responsibilities will be delegated to a committee of the Governing Body and to the Executive Headteacher. To ensure that sound financial control is maintained, this policy statement clearly specifies the extent of delegation and responsibility at this school

In accordance with Regulation 14 of the School Governance (Roles, Procedures and Allowances) (England) Regulations 2013, the meeting of the Governing Body which adopted this Scheme of Delegation did have a quorum of half (rounded up to a whole number) of the membership of the Governing Body when complete.

The Scheme of Delegation must be operated in conjunction with the Scheme for Financing Schools, Financial Regulations and Standard Financial Procedures and Procurement Standing Orders for schools. We require our own written local internal financial rules to support the Scheme, our policy and to detail operational procedures.
